REDISTRICTING PROTEST

The Board of Selectmen has written to Joseph J. C. DiCarlo, Senate Majority Leader, to strongly urge him to take action to keep Mattapoisett in the same Senate District with Marion, Wareham and other Buzzards Bay towns. The Selectmen said that it makes no sense to break Mattapoisett away from Marion and Wareham. They point out that Mattapoisett would suffer frequent unsympathetic treatment from representatives unfamiliar with its problems if it were thrown in with our neighbors to the west with which we have little or nothing in common.

INQUIRY

The Cranberry Area Chamber of Commerce has inquired about Mattapoisett's plan for the Bi-Centennial. The note was sent to Charles Mendell, temporary chairman of the Bi-Centennial Committee.

SPECIAL ELECTION

The Selectmen have asked Town Counsel Leonard Perry to rule on whether vacancies on the Board of Health and Library Trustee Board should be placed on the ballot of a Special Election held to fill a spot on the Board of Selectmen. Mr. Perry has advised the Selectmen that this cannot be done but

STAND ON SAND

Town Counsel Leonard Perry has advised Selectmen that it never was the intent of the State law to regulate every grain of sand or pebble on the beach and therefore it is no concern of the Conservation Commission when the Town cleans the Town Beach or dresses it.

This ruling was made necessary when the Conservation Commission decided that the law required a hearing before them when the town prepared the Town Beach for the summer season.

Circus is Coming!

The star-studded 1973 edition of the Royald Wild West Circus is coming to town on August 7th, it was announced today by Mr. Clifford D. Tripp, president of the Mattapoissett Firemen's Association.

"Our organization is bringing the world's largest wild west circus here to enable the children of our community to enjoy a traditionally wholesome form of entertainment, unique in America," Mr. Tripp said. "Profits derived from sponsoring the circus will go towards our scholarship fund", he continued.

"Our fund will benefit the greatest from the sale of advance tickets by our members. We receive up to 50% of the proceeds from these tickets. In addition, patrons purchasing tickets in advance of circus day will save up to 50¢ on each ticket. We are certain that the people of Mattapoissett will back us 100% in

The Royal Wild West Circus combines all the dash and excitement of the old Wild West shows with the glamor and sparkle of a real tented circus. A Salute to Public Inconvenience

Editorial, D.C.J.

The arrogance and lack of foresight of the State and local DPW's or a combination of these qualities has been dramatically demonstrated this season. Certainly the public expects a certain inconvenience from the building of a road like 195. However, no one anticipated the tearing up and blocking of every route to New Bedford. The State DPW decreed that 195 would not be opened to Alden Road to take the summer traffic load off Route 6. This guaranteed a repetition of the gigantic snarl that has plagued Route 6 at Sconticut Neck Road.

The State then closed off the old route to Mattapoisett that continued from Bridge Street. This escape route blocked leaves Route 6 alone or a long haul through Acushnet. Then Fairhaven got into the act. Fairhaven tore up the section of Alden Road which leads north from Coggeshall Street. This blocked anyone from ducking out of the mile long parade backed up east from the traffic lights at Main Street. This put the plug into that route.

For local people, there was one more hope. The Fairhaven bridge presented an alternative. The State DPW fixed that. They tore up half the bridge roadbed and funneled all the traffic into two lanes. The Fairhaven DPW then decided that the route was still passable so they picked this time to replace all of the curbing in the center of Huttleston Avenue.

I think credit is due to all of these departments for a successful season of blocking traffic. Held in reserve are the houses to be moved. Just when it appears that traffic might proceed at the normal snail's pace, the Fairhaven officials give permission for a house moving.

The total lack of consideration for the public trying to get to work and trying to get around certainly has reached its zenith. If the engineers had planned a coordinated attack

Giant Flea Market

The Giant Flea Market, sponsored by the Marion United Methodist Church, will be held Saturday, August 4th, because it was rained out on the previously scheduled date of July 21st. The Flea Market will run from 10 A.M. until 4 P.M. outdoors on the church grounds at the corner of Route 105 and County Road, Marion, and inside the Parish Hall.

More than 50 exhibitors have reserved booth space. Many booths will feature arts and crafts, including scrimshaw, jewelry, leather, ceramics, furniture and paintings. Two new exhibitors this year will show ham radio equipment and commercial furniture stripping. Several householders have decided to have spaces at the Flea Market in lieu of garage sales. Dealers in antiques, collectibles, and memorabilia will also be in abundance.

The United Methodist Women will have a baked food table, as well as a large table of handmade items including hand knits, crewel work, waste baskets, toys, novelty items, and aprons. The church will sponsor its own White Elephant table, which Mr. and

Angelica Yacht Club

The last of the July Series races were held on Saturday and Sunday, July 28 and 29 at Angelica Yacht Club. The weather left much to be desired through the entire weekend.

On Saturday, the fog was ever present and there was very little breeze to speak of. All divisions raced, Mitey Mites, Juniors and Open.

Sunday's heavy downpour and strong winds at 9 A.M. caused cancellation of the Mitey Mites event. The rain did stop long enough to hold the Juniors and Open competition, but the wind remained strong and gusty at intervals.

The top July racers are: Mitey Mites, Scott Crowley, first; Stuart Warren, second; Ralph Eustis, Jr., third; Juniors, Steve Crowley, first; Rick Warren, second; Marybeth Chad-

A succession of summer services for over a hundred years at St. Philip's Church has brought many distinguished Bishops to its altar, as well as profound scholars among the Rectors, to which latter category the current Rector, the Rev. Mattapoissett Yacht Club

RACING ON WEDNESDAY, JULY 25th

A full schedule was planned for Wednesday, July 25th, at the Mattapoissett Yacht Club, with two Series Races totaling 18 skippers. John Cornish, Jim Broadwater, Mark Roberts and Phil McCarthy earned victories.

JULY JUNIOR SERIES

The Juniors concluded their July Series on Wednesday, July 25th, with the largest turnout so far of Beetle Cats in their A.M. double header.

To start things off John Cornish in Barby Jo defeated Jim Broadwater's Agamemnon by a margin of 46 seconds. Meredith Barnes in Gay Lee Ann II came in 01:13 later.

The next time around, Jim Broadwater moved up to the top spot, followed by Meredith Barnes and Laurie Jenney's Ariel.

Note: There are two protests pending, so the above standings may be subject to change.

EVENING SERIES

Also on Wednesday, July 25th, the second race in the Evening Series got underway at 6:30 P.M. at MYC, with a steady 10-12 SW wind to send the two classes to Mattapoissett Neck MYC guide buoy, to Barnard's Wharf MYC guide buoy, to Molly's Cove MYC guide buoy and finish. It was warm, slightly hazy, with a goodly breeze - all in all most pleasant out there in the harbor.

The Corinthians were very evenly matched, but in the end Mark Roberts' Oracle crossed the line with Jack O'Leary's Quest only 29 seconds behind.

The Planing Hull Division sailed quite competitively also. Phil McCarthy and Kevin O'Leary took starboard starts. Harvey Pen-tleton's port tack put him over first, and he was off and away (or so it seemed). Corrected time, however, reversed the story. It then was Phil first by 3 seconds, Harvey next, then Kevin.

The Beetle Cats provided the excitement of the day. In the first race Jim Barnes in Gay Lee Ann II bested Jim Broadwater's Agamemnon by 8 seconds and then Dave Jenney edged ahead of Barnes by only 2 seconds. But the contention for third place (last race) was the closest of all. John Cornish in Barby Jo and Jim Broadwater battled it out to finish in a tie: 0:25:50 and 0:25:50.

Following the pattern of the Evening Series, Corinthians Quest and Oracle again sailed a tight race, but this time Jack O'Leary was first and Mark Roberts second. The course took them to Mattapoisett Neck MYC guide buoy, to Ned's Point MYC guide buoy, to Sunken Ledge Can 5 and finish.

The speedier planing hull boats followed longer courses: (1) to Mattapoisett Neck MYC guide buoy, to Nun 4, to Ned's Point MYC guide buoy, to Barstow Rock Red Nun 6, and finish; (2) to Sunken Ledge Black Can 5, to Crescent Beach MYC guide buoy, Ned's Point MYC guide buoy, to Barstow Rock Red Nun 5 and finish. The two contestants chalked up double wins: the 470 out front and Kevin O'Leary's 420 not far astern in both contests.

4-H News

By: Barbara Archer, 4-H Assistant

4-H is growing! We have several new 4-H clubs started in this part of Plymouth County--Bicycle clubs, Homemaking, and Conservation, but we need more active volunteer leaders.

There is a new Pilot program starting. We'd like to have a "horseless" 4-H Horse Club or a "Horse Lovers' Club" where children, unable to own their own horses, could meet and learn about their favorite animal. Visiting nearby farms, horse knowledge spell-downs, and assisting horse clubs at their Horse Shows throughout the County would be some of the possible activities involved.

We also have had requests for a small animal club and a gardening club. But 4-H can always use more home economics clubs, dog projects, automotive and woodworking clubs, etc...Just call or write me: Miss Barbara Archer, 151 County Road, Marion, Mass. 02738, telephone 748-1326, if you have a special talent and can meet with 5 or more young people (ages 9-19) in your home at your convenience. We'd be glad to help you get your own 4-H Club started.

Many 4-H'ers have just finished exhibiting at Brockton Fair and are waiting for Marshfield Fair in August. There were craft and cooking

in Rochester.

Our first stop was at the Rochester Town Hall, which is located at the center of the town. There we picked up our guide, Mrs. James Gurney, who is a member of the Rochester Historical Society. She gave us a brief history of the town of Rochester.

She first showed us the location of the first meeting place in Rochester, which is located right near the center green. There is now a

After that we went to the oldest house in the present Old Rochester area, the James Stewart House, which was built around 1680. On the same road is the Center Cemetery, which has gravestones dating from 1715.

We proceeded up Mary's Pond Road to the residence of Mr. and Mrs. Howard Hiller. This property was at one time in the possession of the Leonard family, which was a prominent family in the area. On this property is an old grist mill which was powered by the waters of

Leonard's Pond. Going inside the mill, we saw all the gears and stones used to grind the meal. From the appearance of the mill, it

looked like it could be started at any time.

Mrs. Hiller gave us a tour of her property, noting especially the stonewalls which look all the same height, but in reality may vary anywhere from 20 feet to 6 inches. Another interesting feature of the area was the bridge on Mary's Pond Road. The water coming from Leonard's Pond may go through any one of 6 sluiceways under the bridge, and then unite, continuing its voyage.

In her house, we saw pictures of the property as it was in the 1800's.

We then returned to the center, where Mrs.

Gurney explained that the first school or town academy was presently being used as the church vestry for the First Congregational Church of Rochester.

Even from this brief tour, we all concluded that the history of Rochester is indeed very interesting, and that we all wanted to know more about it.

Thank You, Neighbors

An excerpt from a letter received June 12, 1973: "It is with great pleasure that I enclose a check for \$100.00 for use by the Dollars for Scholars Fund. Your original award of \$400.00 was made to me June 14, 1963, your first year of service.....I hope to pay more in the future.....I have always been grateful for this award and I hope the money I'm returning to you now will be helpful to some worthy scholar this year."

In May, the 11th annual "Dollars for Scholars" drive was conducted in Marion, Mattapoisett and Rochester by local students. The drive, together with a car wash, the "Country Fair" and selling beverages at the annual Town Meeting of Mattapoisett, concluded this year's fund-raising activities.

Over \$4,000.00 collected this year has

swelled the 11-year total to \$43,550. This has resulted in giving financial assistance to 192 area high school graduates who wanted to continue their education in any field.

Sincere thanks are offered to all of those people who have helped this year, and in years past, both in contributing and collecting for this worthy cause. The need for community participation in helping to meet student financial needs is greater than ever due to the spiraling costs of higher education and the uncertainty of the future of federally supported financial aid programs.

Please note that assistance from Citizens Scholarship Foundation is available to all area graduates of public, private or vocational schools, including those who are beyond the first year. Financial aid can be applied
